EOPA and GST: EOPA is a non-profit organisation with a turnover of less than \$50,000 a year. Consequently, EOPA has not registered for the goods and services tax but does have an ABN number. EOPA does not collect the GST on any activities or membership fees. EOPA does however have to pay GST on goods and services purchased. When members make a payment to EOPA, goods and services tax does not have to be withheld from the amount payable. Your accounts/finance section may require a copy of this message for their record.
